Bridal Council

The **Mpumalanga Bridal Website** is intended to help our "Bridal Couples-to-be" with the full planning of their Wedding day in this beautiful and popular region in South Africa, also known as "The Lowveld". This website was designed to be informative, and will help both the South African Bridal couples, and our International Guests who wish to get married in South Africa, with full planning... "from A to Going away"!

Although also informative, this Bridal Website is a feast to the eye, reflecting the beauty of the most special day in your life - the matrimony between loved ones who vow to be together forever. There are plenty of photo's of all our Bridal Suppliers in the Lowveld area, with each supplier's contact details to make direct contact or appointments easier for you.

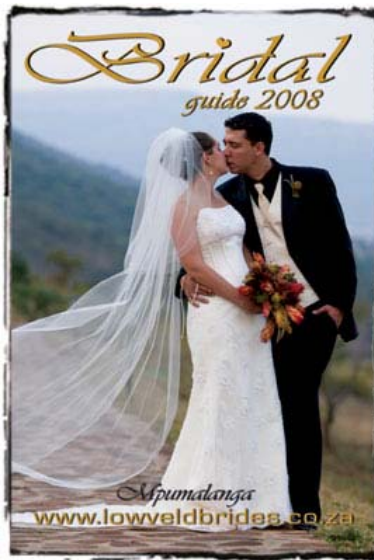

Through our Bridal Web, you can plan everything from the Bride's Gown, Groom's and Men's attire, Flowers, Candles, Photographers, your Video, Venue, Catering, Function co-ordination, Invitations, Guest accommodation, Honeymoon destinations, Gifts, Ladies wear and accessories, your wedding rings, Marriage officers, and even hair and make-up specialists to round off your Wedding Dress perfectly!

## *Bridal Guide 2008*

THE **2008 Bridal Guide Mpumalanga magazine** is available from end March 2008. This year the Cover photo has an interesting story. The Bridal Couple is South-African, who now live in the United States of America. They decided to get married in their home country, and chose Hannah Lodge as their preferred Wedding Venue. They submitted their photo via e-mail for the Cover competition. The Judges chose this photo mainly for the natural and intimate moment of the couple (not a "posed" photo), the classic look as well as the beautiful Mpumalanga scenery in the background!

The Bridal couple flew in their photographers from the States. This lovely photo was taken by **SnS Photography** ([www.snsweddings.com](http://www.snsweddings.com)). We wish to congratulate them and hope they will do a lot more Wedding shoots here in our lovely Lowveld area! Should you wish to contact them, you can e-mail them on: [ssphoto@cfl.rr.com](mailto:ssphoto@cfl.rr.com)
